

Flying Trees Academy Tuition Information 2024-2025 School Year

Fees:

- ❖ **Nonrefundable Application Fee: \$35**
 - Due upon submission of the application. Includes pre-admission achievement testing and an accompanying assessment report.
- ❖ We strongly recommend that all enrolled families obtain a personal membership to the Home School Legal Defense Association (HSLDA) since our students are registered as homeschool students. Their annual membership fee is approximately \$130, paid directly to HSLDA.
 - The benefits of this membership include support in the home-based portion of your homeschool journey as well as personalized legal support if needed. HSLDA will also give you an option to obtain a teacher ID that will qualify you for discounts at participating retailers. You can find more information at hsllda.org.
- ❖ There are no hidden fees. We will never ask you to participate in fundraisers.

Tuition:

- ❖ **Annual Tuition: \$6,000**
 - Once your child is accepted, a non-refundable, advanced tuition deposit of \$800, along with a signed Enrollment Contract and other necessary paperwork, will be required in order to enroll. Your child's spot will be secured with receipt of this deposit.
 - The remaining tuition is payable in eight equal installments of \$650 per month from September 1st through April 1st. There is a 10% discount of the annual tuition fee for payments made in one lump sum by September 1st.
 - Tuition covers attendance at Flying Trees Academy, all classroom supplies, supplemental resources to support you in the home-based portion of your child's education, compilation of an annual portfolio of your child's work, formal and informal assessments and academic ratings completed throughout the school year, completion of the end-of-year assessment testing and report, and assistance with preparing the homeschool notification paperwork that is required for homeschooled children.
 - We offer a tuition discount for siblings residing in the same home. Families with multiple children at FTA will pay the following annual tuition for each child, split into an enrollment deposit and eight subsequent payments:

First child	Second child (90%)	Each additional child (80%)
\$6,000	\$5,400	\$4,800

This page provides a general overview of tuition and fees.

Tuition will increase if additional days and/or hours are added to the school year calendar.

Final details will be provided in the Information Packet and Enrollment Contract given to families upon admission to the program.
